### **Romande Energie Group at a glance**

Romande Energie Group is the leading electricity distributor in Western Switzerland. Through its subsidiary Romande Energie Commerce, it supplies more than 300,000 end-clients directly (representing a catchment population of 500,000 people) in over 300 municipalities in the cantons of Vaud, Valais, Fribourg and Geneva. Its core businesses are the **production, distribution and marketing** of electricity. The Group's priorities are to provide its clients with high-quality services and guarantee reliable, competitively priced electricity supplies on a long-term basis; to expand its own-power production by investing primarily in new renewable energy sources; and to promote innovative solutions in the field of energy efficiency.
