The Federal Administrative Court rejects appeal by Romande Energie Commerce SA against ECom ruling of 7 December 2021

In January 2022, Romande Energie Commerce appealed the decision by the Federal Electricity Commission (ECom) of 7 December 2021 regarding the calculation of the power tariffs applied in 2017. The Federal Administrative Court has rejected this appeal.

On 7 December 2021, ECom published its decision regarding the inquiry into the power tariffs applied in 2017. In January 2022, Romande Energie Commerce appealed this decision before the Federal Administrative Court. In its ruling on 15 June 2022, the Federal Administrative Court largely dismissed this action and as a result upheld ECom's earlier decision.

Romande Energie Commerce has acknowledged this ruling and reserves the right to appeal to the Federal Supreme Court.
